

DIMISCA LAURENTIU CURRICULUM VITAE

Dimisca Laurentiu combines bold, confident colours and patterns with strong symbolic narratives that fuse together imagination and reality. He manipulates his surface to create a world that tells of a narrative using segments that come together effortlessly, full of passion and strength. Laurentiu's work is dominated by faces and figures that speak of style and individuality. Born in 1977, Laurentiu has had exhibitions as far afield as the Dominican Republic and his work is held in private collections in Romania, Italy, Germany, USA, Austria, Switzerland, Belgium, France, Holland and Taiwan.
