

EUGENE IVANOV CURRICULUM VITAE

Since childhood Eugene Ivanov was fond of drawing and over the last 18 years he has been engaged in painting professionally. His first experiences were using a pencil and ink on paper, moving over gradually to oil on canvas and most recently using watercolours. Absence of specific art training does not prevent the artist engaging in painting. Since 1989 Ivanov has actively participated in both group and solo exhibitions. His first solo exhibition in autumn 2002 in the Czech Republic was very important for Eugene's art career. This exhibition was organized with support by the Ostrava group of artists called '*Spolek Mlejn*'. Over the last 8 years Eugene Ivanov has lived and worked in Prague, co-operating with Prague and Ostrava galleries and publishing houses. This included the publication of a colouring book of his figures in 2000 with the publishing house Pierot. He also won first prize in the Competition of Illustrations organized by the Belgian publishing house Wallonie-Bruxelles. His works are held in several private collections in Czech Republic, Germany, Israel, Poland, Russia, UK and USA.
